Rental Conditions

Most important conditions concerning all rental offers:

Rental fees and payment

The suction unit will only be provided after Amphitec Rental B.V. has received:

- The signed rental agreement
- EUR 2.500,00 deposit
- One-Off Service Fee EUR 990,-- (preparing the machine, cleaning on return)
- Rental fees in advance

Terms of delivery : ex works Hendrik Ido Ambacht – The Netherlands
Price validity : 2018
Payment : at the beginning of each rental month, on receipt of invoice, net.

Cleaning

Rental unit has to be given back with empty tank and filter chamber. Cleaning will be carried out by Amphitec Rental B.V.

Insurance

The suction unit is full insured – in case of an insurance claim due to damage, EUR 2.500,00 is to be charged at the customer's account and EUR 1.000,00 is to be charged in case of a third party claim.

General

- Transport days are to be understood as rental period;
- The vacuum loader is available ex works; it has to be returned free of charge to us;
- Costs which arise from excessive wear are to be borne by the renter;
- Operator and suction tools are not included in the offer;
- The customer is responsible for the maintenance of the suction unit according to operating instructions;
- The indicated prices are valid for unlimited working hours;
- The rental amount of one week becomes always due, even if the rental unit is used less than one week;
- Offers are subject to confirmation;
- You can find the complete list of rental conditions on the website www.amphitec.com.
